

Frequency band:	4.4 -5.0 GHz
Ins. loss:	tip.0.2 dB on room temperature max : 0.3 dB on full temperature range
Isolation:	tip. 25 dB on room temperature min: 20 dB on full temperature range
VSWR:	tip. 1.15 on room temperature min: 1.25 on full temperature range
Handling power:	50 W
Load power:	1 W
Temp. range:	-45 °C ÷ +85 °C
Surface:	Ni coated
Connectors:	SMA female
Surface temp max:	+85 °C
Advice:	Use air cooling!
The isolator made according to Directive 2002/95/EC RoHS
